

Spring Hill stunner

Located on the edge of Spring Hill village this stunning family home has been designed to maximise solar efficiency whilst providing a quality family haven with an elevated outlook over the land. Approximately 6 years old, the home features 3 interconnecting pavilions comprising a master wing, central living & kitchen section and kids wing with separate living room. A 3 car garage and workshop offers covered access and a drive-through car bay.

Double glazed throughout with slab heating and gas fireplace the home also features polished concrete floors and several outdoor entertaining areas.

The home sits on approximately 7 hectares (17.3 acres) of level land with a large spring-fed dam and unequipped bore in place. The hard work has been done here. It is simply a matter of enjoying the lifestyle on offer.
